FACULTY AND ADMINISTRATION

Guiding Hands

School Board

The Board of School Directors, elected by the borough, decides major school policies and keeps the schools operating smoothly. The members include: *Standing:* Francis W. Matika, District Superintendent; Thomas McDonnell, Walter F. Scott, Jr., E. Roy Klein, Thomas M. Rutter, Jr., Solicitor. *Seated:* Dr. Harry Seltzer, Vice President; Mrs. Elsie Wagner, Mrs. Herbert (Sima S.) Wertheimer, President; Mrs. Robert (Melva L.) Colligan, Treasurer; Dr. Edwin S. Hodge, Secretary. *Missing:* Dr. Thomas Saracco.

Superintendent

The earth gives its fruits to those who labor for them.

"To earn your bread by the sweat of your brow" is not a myth. It is a cold, hard reality. It applies to all. Whether we choose to be in the school, home, office, factory or field—whether we study, cook meals, keep books, produce steel products, or sell insurance, the common denominator for success is work.

Without it man loses his vision, his confidence, and his enthusiasm. His life becomes largely meaningless.

On the other hand, there is no preventive or cure so effective for boredom or fatigue, or for many of our mental and emotional ills, as an honest day's work every working day of the year.

There is no limit to the rich things that we may have—material, mental, spiritual—if we work hard enough to obtain them.

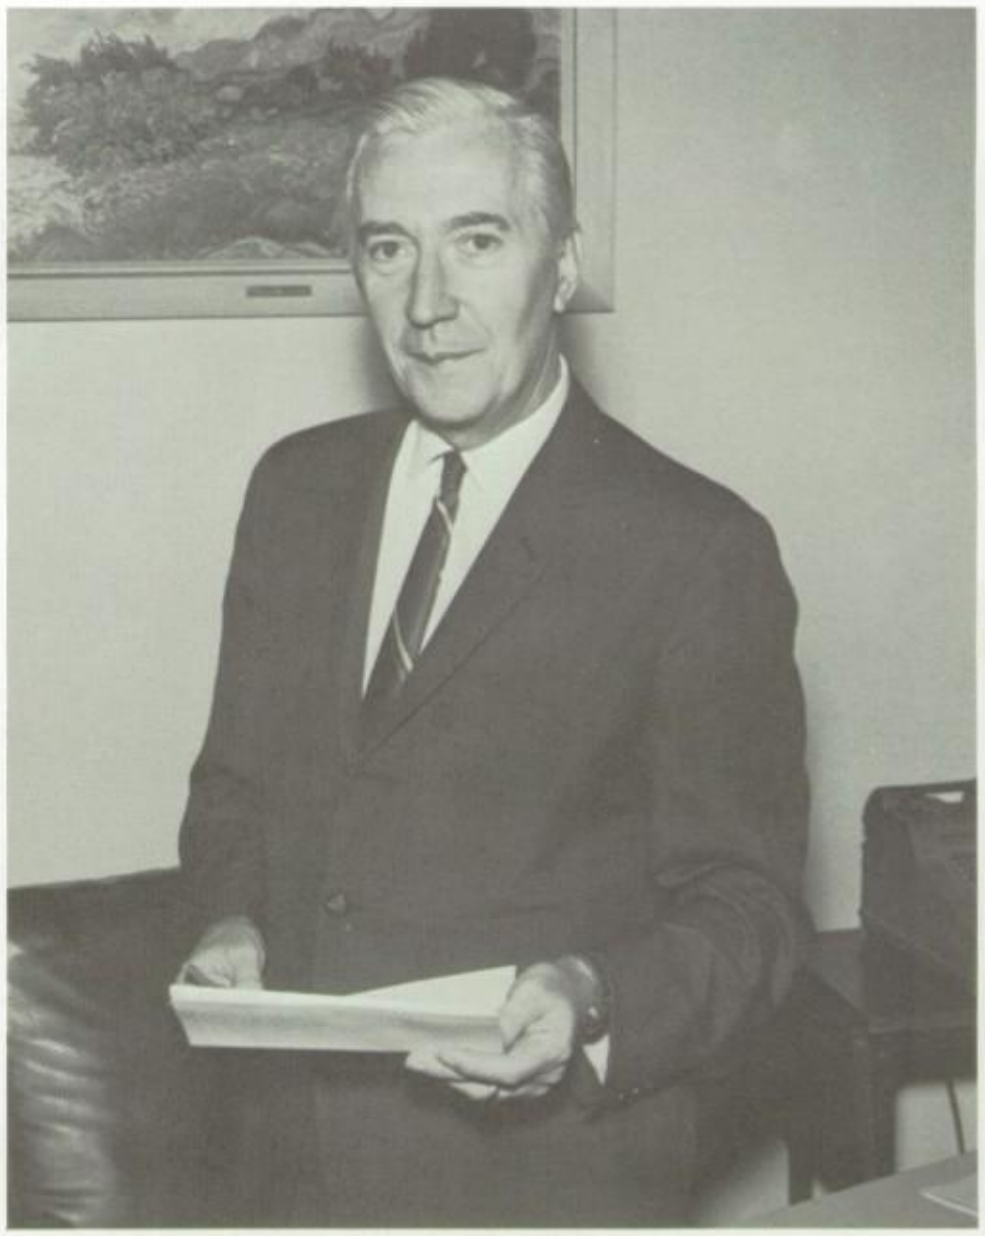
Know what you want! Work for it, and the earth will yield its treasures to you.

Set your eye and your heart on a goal, work for it, work cheerfully and give it that little extra, and with God's help, you'll make it.

Francis W. Matika

Francis W. Matika

Principal



Education encompasses many areas, but the true application of our education is to be able to identify the problems which we have to cope with and arrive at a workable solution to these problems.

H. H. Leary

Assistant Principal

If we do something useful in life that gives us a feeling of being needed; if we try to make the most of whatever talents we have, and if we are willing and able to face the facts of life and to keep improving our capacity to meet them; then we will be likely to feel that our life is of some importance, and we will think well of ourselves in spite of our imperfections.

Despite an unimpressive season, 0-8-1, the Spartans, under the guidance of a complete coaching staff, fought gallantly in every game. The high point of the season was a 12-12 tie with Swissvale. The team led by the Spartan Captains Ken Crocco, Dick Graziano, and Don Trimbur, showed spirit and determination throughout the season.

'George of the Jungle" and friends.

"Let's go you guys!"

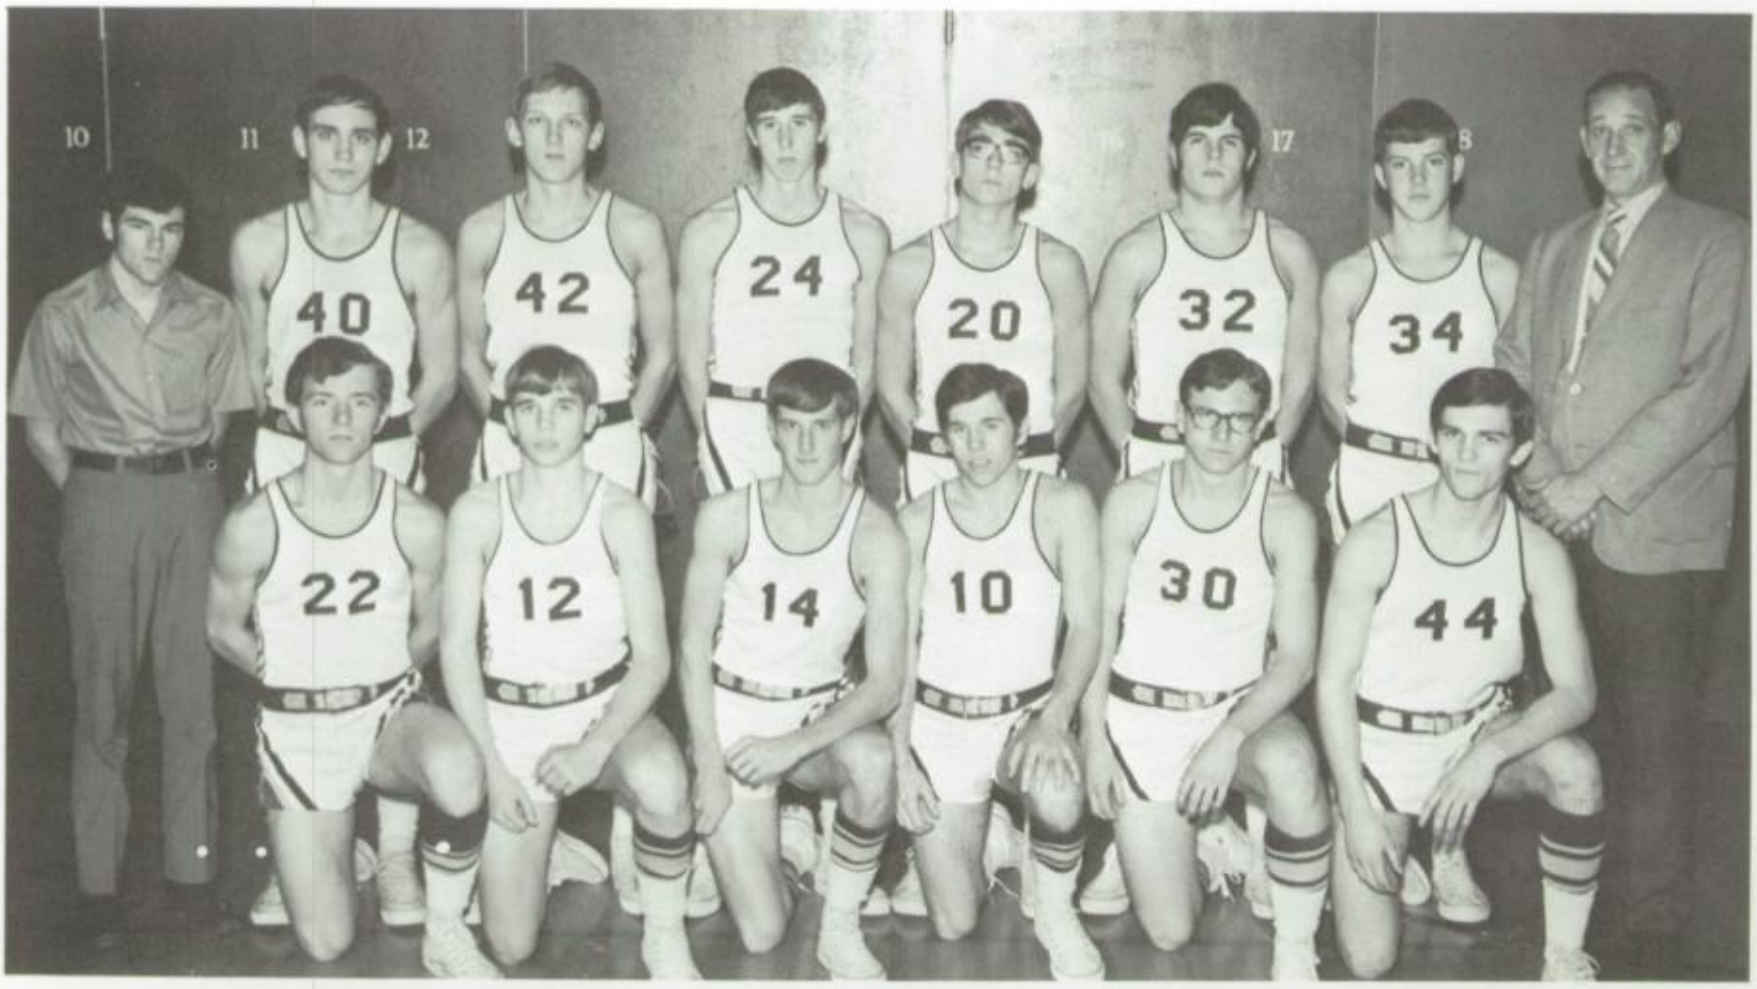
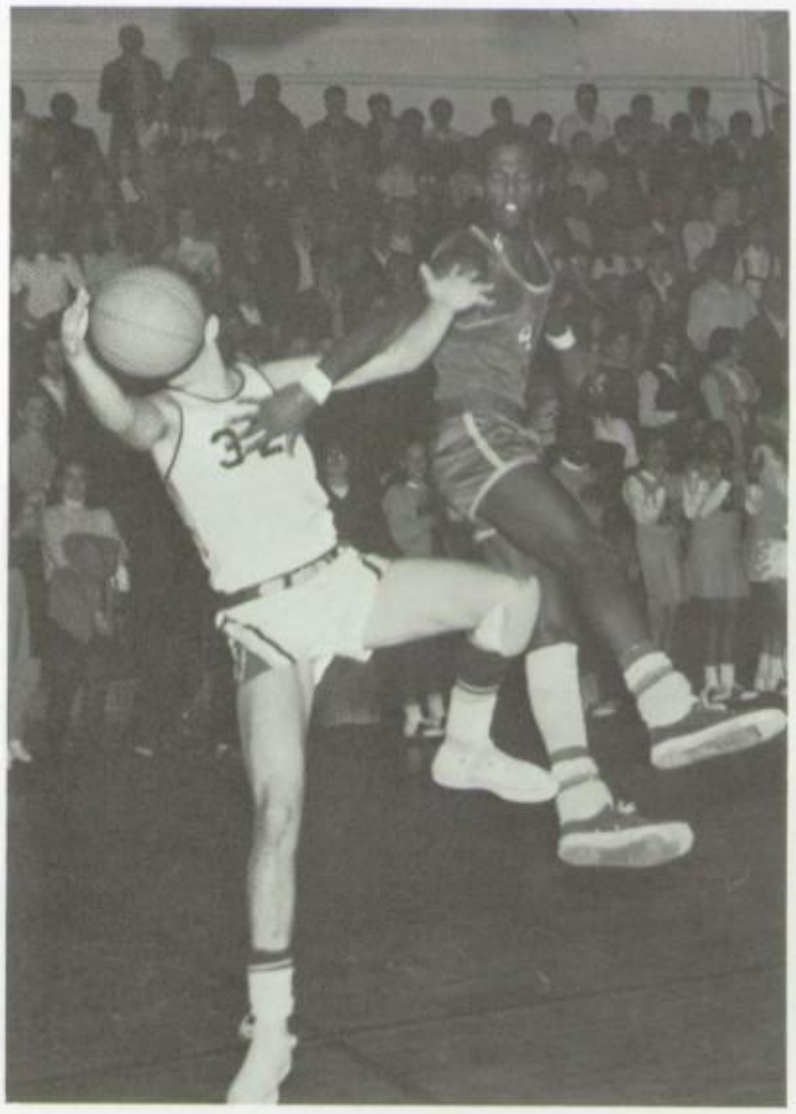
Varsity Basketball

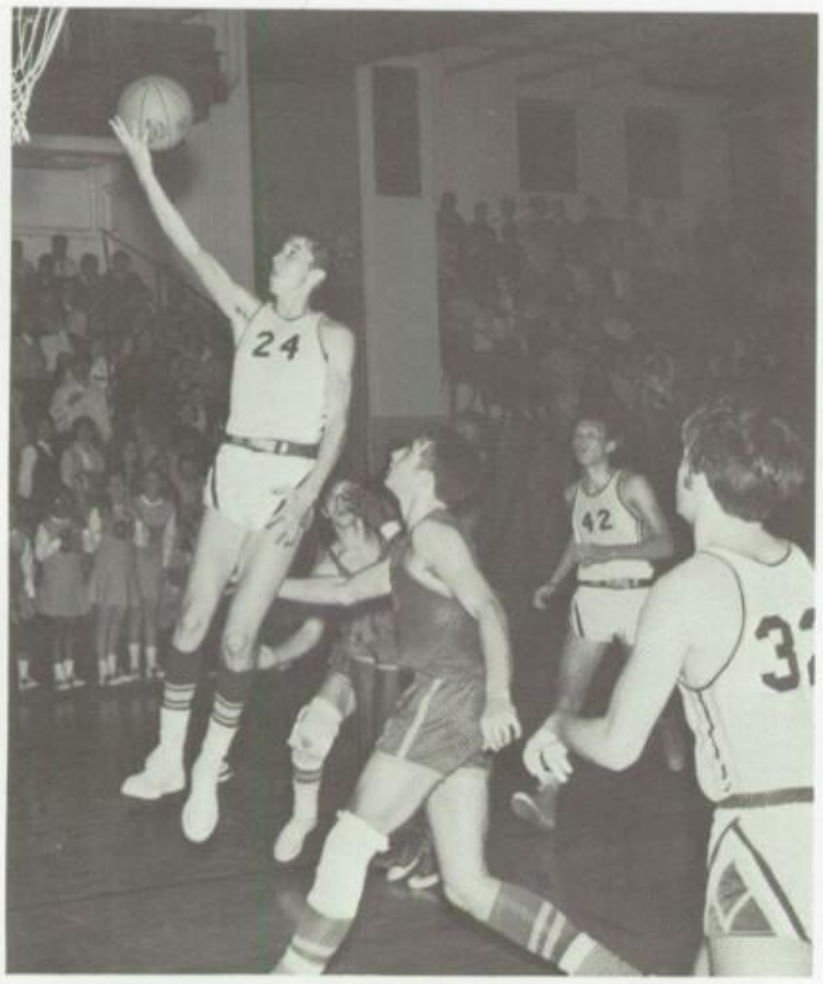


THE MEMBERS OF THE TEAM ARE: *Standing:* Steve Ater, Gary Johnson, Tom Slenkamp, Chuck Minster, Ed Gannis, Jim McClure, John Blohm, Coach William Douglass. *Kneeling:* Nick Evanovich, Tom Lazenga, John Deasy, Paul Sample, Ron Recker, and Don Trimbur.

Coached by Mr. William "Step Lively" Douglass and Mr. Patrick Hobart, the Spartans finished a hard-fought season with a 7-15 record. Encouraged by loyal fans and the Brentwood cheerleading squad, Brentwood showed great spirit in victories over Highlands, Brownsville, and Bethel Park. This year, the Spartans were in one of the toughest sections, but fought each game to the buzzer. Next year's team will feel the loss of co-captains Paul Sample and Jim McClure, as well as other seniors: Chuck Minster, Tom Slenkamp, Don Trimbur, John Blohm, Ron Recker, Gary Johnson, John Deasy, and Nick Evanovich.



Jim fades back to pass.



Our superb center lays it in.
